

IELTS Speaking Sample 37

IELTS Speaking Mock Test # 18

Part One - Introduction:

Q. Where are you from?

A. I am originally from Biratnagar. This town is located in Morang district in the Koshi Zone of Eastern Nepal. And for the time being I am staying in Kathmandu, which is the capital city of Nepal. To be more specific I have been living here since the year 2011.

Q. What are the most common foods in your locality?

A. It's quite a complex question for me because where I am originally from is a place where people are from different casts and ethnicities. However among the variations of foods common in this area I should choose chapatti, also called Roti as the most common food item. It is made of flour. Chapati or Roti with vegetable curry is very tasty and delicious. It is the most preferred food item for lunch, breakfast, and dinner. Among other food item, rice, chicken curry and different sweets are very common as well.

Q. What is your favorite menu? Why?

A. My favourite menu item is MO: MO. It's a delicious Chinese food item. Mostly I prefer to eat this item whenever I feel hungry in the breakfast time. Because of its taste and my personal preference of this menu in the breakfast, I consider it to be my most favourite menu.

Q. Do you like to eat at a restaurant or at home? Why?

A. I usually do not prefer to eat at a restaurant because I like to eat homemade foods which are mostly cooked by my mother. My family has not got the habit to go to a restaurant and I guess from that I also learned to eat at home. My mother is an exceptional cook and she cooks delicious and tasty foods at home. My father always had the doubt on the quality of foods in a restaurant. That is why I scarcely eat at a restaurant.

Now tell me...

Q. Do you like music? What types of music do you listen often?

A. Yes, I like music very much. I often listen to music on my free time or whenever I feel stressed. Music is like very refreshing for me. Usually, I prefer classical music with meaningful lyrics. Contemporary rock music is also in my favourite list.

Q. Why do the teenagers like rock music?

A. I believe teenagers are attracted to the high pitched music and heavy instrument used in the rock music. The rock singers represent the contemporary issues in their music and that's another reason teenagers are attracted to the rock music.

Q. Which one is better? Classical or pop music? Why?

A. That varies from person to person. While some people like listening to mostly classical music, other groups

prefer pop music. The preference of music varies based on geographical location, age groups and level of educations.

I personally prefer classical music over pop music. But as I said, which one is better is solely dependent on a person's preference of music.

Q. Who is your favorite musician?

A. My favorite musician is A.R. Rahaman, who is basically an Indian musician. He won Oscar award for his tremendous contribution to the Indian music as well as inherent talent in music composition. He has a natural talent on music and has created many popular music.

Q. Do you listen to foreign music or music of your language?

A. I like listening both local and foreign music. I used to listen to Hindi music till I was 12 years old. But now I listen to both English and Hindi songs.
